PRESIDENT ALVIN M. SMITH CALLS MEETING OF CLUB

Future Policies of Business Men's Or-
ganization to Be Determined at
Conference of Membership.

Letters have been sent out to mem-
bers of the Business Men's Club by
President Alvin M. Smith, announcing
that a meeting of vital concern to the
membership of the organization will be
held in the clubrooms on Tuesday af-
ternoon, October 13, at 5 o'clock. Seven
hundred of Richmond's most substan-
tial and progressive business men are
represented in the club's membership.
The total membership, including com-
mercial and nonresident members, is
more than 1,000.

With this strong and aggressive
membership it is thought that any ob-
stacle which may confront the club
will be overcome at the meeting Tues-
day, as business men fully realize the
importance of the organization. The
club has played a prominent part in the
development of Richmond's progressive
spirit, and has figured conspicuously
in every movement designed for the
city's betterment in the past decade.

One attractive feature of the club is
the restaurant, which it organizes, for
the convenience of business men, where
a nonstop plan of service is in vogue.
The restaurant, where hundreds of
business men meet daily, it is believed,
fosters a spirit of good fellowship
which promotes co-operation in all
betterment movements. The clubrooms
furnish a convenient meeting place
for many of the smaller organizations
of the city. Nearly every day a half-
dozen or more meetings of various or-
ganizations, representing all phases of
the city's commercial, educational, re-
ligious and professional life, are held
in the clubrooms.

Some of the more important move-
ments in which the club has recently
figured were in securing the Federal
Reserve Bank for Richmond, the im-
provements now under way on the
Cary Street Road, and the bringing
about of a compromise between the
city and Henrico County in the annexa-
tion proceedings. Every member of
the club is urged to respond to the
call of the president by attending the
meeting on Tuesday, and by lending
support to any movement intended to
guarantee the continued success of the
organization.

BRUTON TO SPEAK

Will Address Centenary Church Club
Tuesday Night at Annual Meeting.
The annual meeting of the Centen-
ary Church Club, Tuesday, October 12,
promises to be a gathering of unusual
interest, and there is every indication
that the attendance will be large. Col-
onel John L. Bruton, president of the
First National Bank, of Washington,
and a member of the board of directors of
the Fifth Federal Reserve Bank District,
will make the principal address. L.
Clark Jenkins is president of the club,
and George H. Keesler is chairman of
the entertainment committee.

RECEIVERS NAMED

Will Take Charge of Southern Hard-
wood Lumber Company.
Upon the motion of J. K. Gruener, P.
Z. Murphy and S. S. Levering, plain-
tiffs in a suit against the Southern
Hardwood Lumber Company, of this
city, Judge Crump, of the Law and
Equity Court, has entered an order ap-
pointing J. J. Blake and Abner C.
Goode receivers of this company with
authority to carry on the business for
the benefit of the stockholders. Each
was required to give bond in the sum
of \$5,000.
The court order sets forth that it
was apparent that all of the stock-
holders of the company united in the
prayer for a receivership, and that the
receivers to take charge of the com-
pany's affairs. They are instructed to
make an inventory of the assets and
report their findings to the court.

WILLIAM T. ELLIS WILL MAKE ADDRESS TO BANKERS

Speaks To-Morrow Night at Second
Baptist Church—Herbert W. Jack-
son to Preside.

One of the opening features of the
fortieth annual convention of the
American Bankers' Association will be
the special religious service which will
be held at 8 o'clock to-morrow even-
ing at the Second Baptist Church. Bank-
ers are showing keen interest in the
meeting, and it is predicted that the
service will be largely attended.
Herbert W. Jackson, president of the
Virginia Trust Company, will preside
at the meeting, and the principal
speaker for the occasion will be Wil-
liam T. Ellis, a lecturer and traveler
of wide reputation. "The World Man
and the World War" will be Mr. Ellis's
topic. Having been a close student of
international conditions for many
years, it is expected that Mr. Ellis will
give a most interesting interpretation
of the present European struggle.
With his wide knowledge of conditions
and his forceful qualities as a speaker,
he is expected to present the subject
in a most interesting and intelligent
manner.

Many prominent local bankers and
business men will occupy seats of
honor on the platform at the meet-
ing. The special service committee, com-
posed of prominent local bankers, has
requested that local bankers make
every effort to attend the special ser-
vice to-morrow night, have been re-
ceived by Oliver J. Sands, of the special
service committee.

AUTOMOBILE STEALING IS BECOMING EPIDEMIC

Rarely Day Passes That Police Do
Not Receive Complaints From
Car Owners.

An epidemic of automobile steal-
ing, according to information obtained
from police records, has come upon
Richmond, and rarely a day now passes
that a theft of this character is not
reported. In most cases the stealing is
the work of young men and youths,
who take machines left standing on the
streets, drive them to their heart's
content, and then abandon them. Not only
ever they may happen to be, but they
are these "joy rides" an annoyance to
owners, but in many cases expensive
motors are more or less damaged.

Last night E. M. Redford, of 1617
Grove Avenue, reported that his five-
passenger Ford, which had been left
standing in front of his residence, had
been stolen. The machine of John
Bagby, of 2206 Monument Avenue,
which was reported stolen on Thurs-
day night, was found abandoned yester-
day in the West End by Motorcycle
Officers Samuel and Sergeant Johnson,
and was returned to the owner.
Mrs. B. E. Ransom, of 312 North Jef-
ferson Street, reported stolen from her
stable yesterday one set of buggy har-
nesses.

TWO NEGROES AND WOMAN CREATE SERIOUS AFFRAY

Much Excitement at St. John and Duval
Streets Until Arrival of
Police.

A serious cutting and shooting af-
fair early last night created consid-
erable excitement at St. John and
Duval Streets, which ended upon the
arrival of two mounted policemen, who
arrested the two men, called the ambu-
lance and sent a woman, who had been
cut, to the City Hospital for treatment.
From what could be gathered, Alfred
Thomas, colored, became enraged with
Amelia Robinson and made a vicious
attack upon her with a knife. To pre-
vent murder, he said, Thomas Rich-
ards, also colored, who was standing
nearby, drew a revolver and shot
Thomas. One bullet entered the lat-
ter's abdomen, and was later extracted
with little difficulty by Ambulance Sur-
geon Gorman. However, it was neces-
sary to send Thomas to the hospital, as
he was the woman. He was placed
under guard with a knife. Flournoy and
Smallwood, and will be under police
guard until he can be removed to the
City Jail Hospital, pending his trial.
Harrison and Thomas were both
charged with assault. The
former was released from the Second
Police Station when he furnished bail
for his appearance this morning in
Police Court.

SPEEDER FINED \$100

W. P. Atkinson, Convicted in Police
Court, Notes Appeal.
A fine of \$100 was imposed upon
W. P. Atkinson yesterday morning
in Police Court on the charge of
driving an automobile faster than the
law allows. Atkinson was arrested at
the Hustings Court. Atkinson was or-
dered to appear in Police Court to-
morrow morning at 10 o'clock, when
he will appeal from the fine. Atkinson
was traveling at a high rate of speed
through streets of the West End.
J. C. Hudson, of 1000 E. Street, was
the North Carolinians arrested on
Thursday night for carelessly and
recklessly driving an automobile, were
each fined \$100 and costs by Justice
Crutfield.
Viola Morris, colored, was fined \$50
and costs for cutting Kate Shelton.
W. B. Turner and Charles Moore
were each fined \$10 and costs for be-
having disorderly and fighting in the
street.

Woman Faces Murder Charge.

Annie Johnson, colored, was ar-
raigned in Police Court yesterday
morning on the charge of murder. She
is alleged to have shot Edward Davis,
also colored, on Thursday night. He
died early yesterday morning at the
City Hospital. Her preliminary hearing
went over until October 17.

What promises to be one of the most
attractive of the special entertainments
which has been arranged for delegates
to the Richmond convention of the
American Bankers' Association, will be
the supper and reception to be tendered
by the Richmond Advertisers' Club to
visiting financiers who are members of
advertising clubs. The event will take
place in the rooms of the Business
Men's Club, Thursday evening, October
15, at 6:30 o'clock.
Several hundred invitations to this
event have already been sent out and
many acceptances from bankers have
been received. Brief talks will be made
at the meeting by Herbert W. Jackson,
of the Virginia Trust Company; Oliver
J. Sands, of the American National
Bank, and H. H. Hester. Several of the
visiting financiers will also address the
meeting.

All of the officers and the greater
part of the membership of the Rich-
mond Advertisers' Club will attend the
meeting. The committee arranging for
the event is composed of the following:
Escar E. Parrish, chairman, of the
Church Hill Bank; G. A. Peple, of the
American National Bank, and W. S.
Freeman, of the Freeman Advertising
Agency.

MEREDITH TO SPEAK ON

One of the most interesting speeches
to be delivered during the convention
will be that of Wyndham R. Meredith.
Mr. Meredith will address the executive
committee of the American Bankers' As-
sociation, on Monday evening, October 12,
at 7:30 o'clock, in the Flemish room at
the Jefferson Hotel. "Psychological
Reserves," will be his subject.

tomatic committee, has requested that
all citizens who have agreed to loan
their cars during the convention for the
entertainment of the visitors, have the
machines at the Jefferson Hotel on
Monday morning of the gathering at 10
o'clock. The automobile tour about
the city will comprise a most impor-
tant and attractive part of the enter-
tainment program. By means of the
tours, Richmond's industries will be
exploited and visitors will be enabled
to visit the numerous places of interest
in and about the city.

Persons having rooms available for
use by delegates to the convention are
requested to communicate at once with
Thomas B. McAdams, chairman of the
hotel committee.

Sentence Commuted.
On the recommendation of the judge
who tried his case, and the Common-
wealth's attorney who prosecuted him,
for forgery in Petersburg, J. T. For-
rester, sentenced to serve a term of
one year in the penitentiary, yester-
day secured a commutation of sentence
from Governor Stuart. Forrester's sen-
tence is commuted to twelve months in
the Petersburg Jail.

DEATH DUE TO SUICIDE INDICATED BY VERDICT

Jury Finds for Defense in Suit
Brought by Mrs. Parrish to
Recover Insurance.

DELIBERATES FOR FOUR HOURS

Second Jury Sworn In, and Federal
Court Proceeds With Trial of
Criminal Cases—Postal Clerk Sen-
tenced for Six Months.

After four hours' deliberation a jury
in the United States District Court yes-
terday found a verdict for the defend-
ant in the case of Mrs. Hattie S. Parrish,
of Richmond, against the United Com-
mercial Travelers of America, who
sought to recover \$5,500 on an insur-
ance policy held by her son, Eugene
M. Parrish. Counsel for the de-
fendant, the policy prohibited the ver-
dict be set aside as contrary to the
law and evidence, and Judge Edmund
Waddill, Jr., announced that he would
hear argument on the motion on Octo-
ber 21.

The point involved was whether
Parrish came to his death by suicide
or accident. The verdict of the jury
indicates that the members were con-
vinced that it was a case of suicide, as
a clause in the policy prohibited the
payment of the death benefit in the
event of self-destruction.

PARRISH FOUND DEAD

IN HOTEL AT BRISTOL
Parrish, who was a traveling sales-
man for a Richmond concern, was
found dead in a room at a hotel in Bris-
tol with a pistol shot wound in his
temple. The United Commercial Travel-
ers refused to pay the policy, in which
the young man's mother was named as
beneficiary, contending that Parrish's
death was a case of suicide, and that the
policy therefore invalid. Accordingly,
Mrs. Parrish filed her suit.

Both sides introduced evidence to
substantiate their contentions. The de-
fense relied largely upon testimony
that Parrish killed himself for fear
of the wrath of two brothers of a
young woman with whom he had been
living. Witnesses were introduced
to show that she had received a let-
ter while he was in Bristol to the
effect that her brothers were follow-
ing him and for him to be on his guard.
The defense contended that Parrish
never received the alleged letter, and
he killed himself accidentally while
examining a revolver.

Just what caused the jury to delib-
erate so long could not be learned. The
case was placed in its hands at noon,
and it was after 4 o'clock when the
foreman announced that it had reached
a verdict and the members filed into
the courtroom, where another case was
on trial.

TO TRY CRIMINAL CASES

Because of the unusual issue in-
volved, the Parrish suit held unusual
interest. Each step of the trial was
by each side. Though the hearing
opened on last Monday, the first day of
the fall term of the Federal court, the
case was not in until late Thurs-
day afternoon.

When the jury which tried the case
retired, a second jury was at once
sworn in, and Judge Waddill proceeded
with the trial of criminal cases.

J. Frank Wilson, twenty-five years
old, who was employed in postal sub-
station No. 24, who was indicted on the
charge of misappropriating postal
to Turkey, after a plea of guilty, was
sentenced by Judge Waddill to
serve a term of six months in the Hen-
rico County Jail.

Murphy, colored, was then ar-
raigned on an indictment charging him
with using the mails in an attempt to
defraud. Court adjourned for the day
before all evidence was in, and the trial
will be resumed this morning.

Murphy is a resident of the city. He
wrote to W. H. H. Styles, of Jack-
sonville, Fla., and under that name
he did not intend to be arrested. He al-
leged fraud having been discovered,
the matter was brought to the atten-
tion of the post-office authorities, and
the government brought forward the
witnesses from Jacksonville to Richmond to aid
in its prosecution of the case.

CALLS ON GOVERNOR

"Uncle Jimmie" Curtis, Treasurer of
Newport News, State Fair Visitor.
Among the visitors at the office of
Governor Stuart yesterday was James
M. Curtis, treasurer of the city of New-
port News, who is visiting the State
Fair with members of his family.
Treasurer Curtis, of the Shipbuilding
City, has for nearly a quarter of a cen-
tury been virtually a political "neut-
ral" in all the years of his official-
ship. While confessing to be a Republi-
can, he has been repeatedly elected to
office by a Democratic majority. In
each of his campaigns he declared him-
self standing on a platform with only
two planks in it, one of which was
"neutrality" and the other "good re-
cord."

Several times movements were start-
ed to put a candidate in the field
against "Uncle Jimmie," as he is known
in Newport News, but in every case the
effort was abandoned after a prelimi-
nary investigation. He continues to this
day as treasurer. His political views
and convictions, which are known only to
himself, are unquestioned.

Marriage License.
License to marry was issued yester-
day by Deputy Clerk Breeden, of the
Hustings Court, to William Gillespie
and Ella C. Klise.

Naturalization Commissioned.
Commissioners were issued yesterday
by Governor Stuart to two notaries
public, who are appointed for a term
of four years each. Miss Gertrude
Coleman Mann is appointed a notary
for the city of Charlottesville and H.
Lavender for the city of Bristol.
Mr. Lavender is a former Common-
wealth's attorney of Bristol.

Dr. Hutson Improving.
Rev. J. B. Hutson, D. D., pastor of
Pine Street Baptist Church, who has
been ill for several days, was reported
yesterday as being somewhat im-
proved. His condition is regarded as
hopeful, and it is thought that he will be
entirely recovered within a few days.

REV. W. A. PEARMAN GOES TO COVINGTON

Assistant Rector of St. Paul's Epis-
copal Church to Leave
on November 1.

ACCEPTS CALL FROM VESTRY

New Work Will Bring Him in Close
Association With Episcopal Insti-
tution for Homeless Boys, in Which
He Has Taken Deep Interest.

Rev. W. A. Pearman, of 815 East
Grace Street, assistant rector of St.
Paul's Episcopal Church, has accepted
a call from the vestry of the Epis-
copal Church of Covington, Va., to
become rector of that parish. He will
leave for his new charge about the
middle of November. During the two
years that Mr. Pearman has served at
St. Paul's Church, he has made num-
erous friends. To them the announce-
ment that he is soon to leave Richmond
will be a source of genuine regret.
His successor at St. Paul's Church has
not yet been named.

Mr. Pearman came to Richmond two
years ago from the Diocese of Kansas
City. He is a native of Indiana, and
a graduate of Wittenberg College, of
Springfield, Ohio. He is a man of
forceful personality, and is well known
for his many acts of charity. The par-
ish to which he has been called is one
of the largest and strongest in the
State outside of the city of Richmond.

Near the town of Covington is lo-
cated the School for Homeless Boys,
established and maintained by the
Diocese of Southern Virginia. Ever
since its inception, Mr. Pearman has
taken an active interest in the work of the school
and has been instrumental in sending
homeless orphans from Richmond to
the institution. Mr. Pearman will continue
his hearty support of the school, and
will take an active part in the work
of the institution. Surrounding the
school is a farm of 400 acres, owned by
the institution, and cultivated by the
boys. There are now twenty-five boys
at the school, and the number will be
increased as soon as the equipment of
the institution can be enlarged.

ALLEGED "DOPE FIEND" IS AGAIN UNDER ARREST

Ward Bagby, Who Attempted Suicide
Held as Fugitive From Norfolk.

After Paying Fine.
Shortly after he had paid a fine of
\$10 in Police Court for committing a
misdemeanor, Ward Bagby, twenty-one years
old, was arrested by Patrolman
Duque and Sweet and locked up at the
First Police Station as a fugitive from
justice in Norfolk, where he is said
to have been arrested on a charge of assault
on a woman. Bagby has been in the
Norfolk Jail since his arrest.

Ward created something of a com-
motion at the First Station on Tues-
day when he attempted suicide by
swallowing a quantity of morphine. He
had been arrested on a charge of at-
tacking Robert J. Brown, a negro, in
Capitol Square. He was removed to
the Norfolk hospital, and, after being
rendered unconscious by the morphine,
he was taken to the hospital. He was
laid, he committed the same crime
a second time, having had more of
the drug concealed in his clothing.
Prompt action again saved him, and
he was taken to the Norfolk hospital.
Crutfield yesterday morning.
A felony charge had been lodged
against him, but the evidence was not
sufficient to warrant it, in the opinion
of Justice Crutfield, and it was
changed to unlawful assault, and the
man was released.

GUILTY OF HOUSEBREAKING

Moses Reed Sent to Penitentiary for
One Year by Hustings Court.
Moses Reed, indicted by the Hustings
Court grand jury for breaking and
entering Longshore clothing valued at
\$37.50, was found guilty of house-
breaking yesterday and sentenced to
serve one year in the State Peniten-
tiary. The indictment charged him
with carrying away one coat valued at
\$15, one pair of trousers worth \$8, one
pair of suspenders valued at 25 cents
and one belt valued at 50 cents.

Willie E. Wille, a 19-year-old boy,
drew a three-year term in the peni-
tentiary for grand larceny. He was
indicted by the grand jury for cur-
rency from P. H. Wood, on August 29.
Albert Carter, indicted for stabbing
Joseph Jackson in a way that caused
wounding, was found guilty of malice
wounding and sentenced to serve three
years in the penitentiary. The dif-
ficulty occurred on August 29.
Ollie Davis, alias William Sledge, was
convicted of carbreaking, and sen-
tenced to a one-year term in the peni-
tentiary.

Roza Goodman, indicted for cutting
Nat Nelson, on August 28, with a razor
was sentenced to serve four months
in jail for malicious wounding.

Early Morning Fire.
Fire of undetermined origin was dis-
covered this morning shortly after
6 o'clock in a vacant yard at
1629 West Cary Street. Before the
apparatus responded to an alarm, which
was turned in by a citizen, the flames
had spread to a building of masonry
occupied by Mrs. L. A. Mooney and her
two daughters. They hastened from
the house, fearing that it was doomed,
but the blaze was under control. A
few minutes after the arrival of sev-
eral engine companies, the damage to
the dwelling was placed at \$250, while
the wood and coal yard was said to be
dred dollars.
